Right in the cen - ter of our coun - try, Old Mis - sou - ri chimes out
Now her re - sour - ces are so man - y, That they're not hard to re -
Ac - cord - ing to the Grand Old Book, It took a week to make the

bright, She is the bea - con to the world, The whole world watch - es for her
call. But if we tell the truth a - bout it Old Mis - sou - ri has them
world. Much time was spent on mod - els af - ter which the rest could be un -

light. She is the gate way to the west. In - side her gates you'll glad - ly
all. All things that an - y where will grow, And all the mine - rals found be
furred. And when the mod - els all were made, With all the or - na - ments in

rest, For its the grand-est spot in U. S. A. She has the
low, She is the rich-est in the U. S. A. She has her
laid, It was Mis-sou-ri in the U. S. A. And when the

spir-it of the East, She has the grand-eur of the West, Her south-ern
moun-tains and her val-leys Thru the O'-zarks you should go, I can-not
dies were all set stead-y The ma-ter-ials all picked out, Then the old

hos-pi-tal-i-ty Was al-ways known to be the best She has the
tell you of their beau-ty you must see them if you'd know. Once it was
earth was stamped out read-y With its coun-tries all a-bout A-sia and

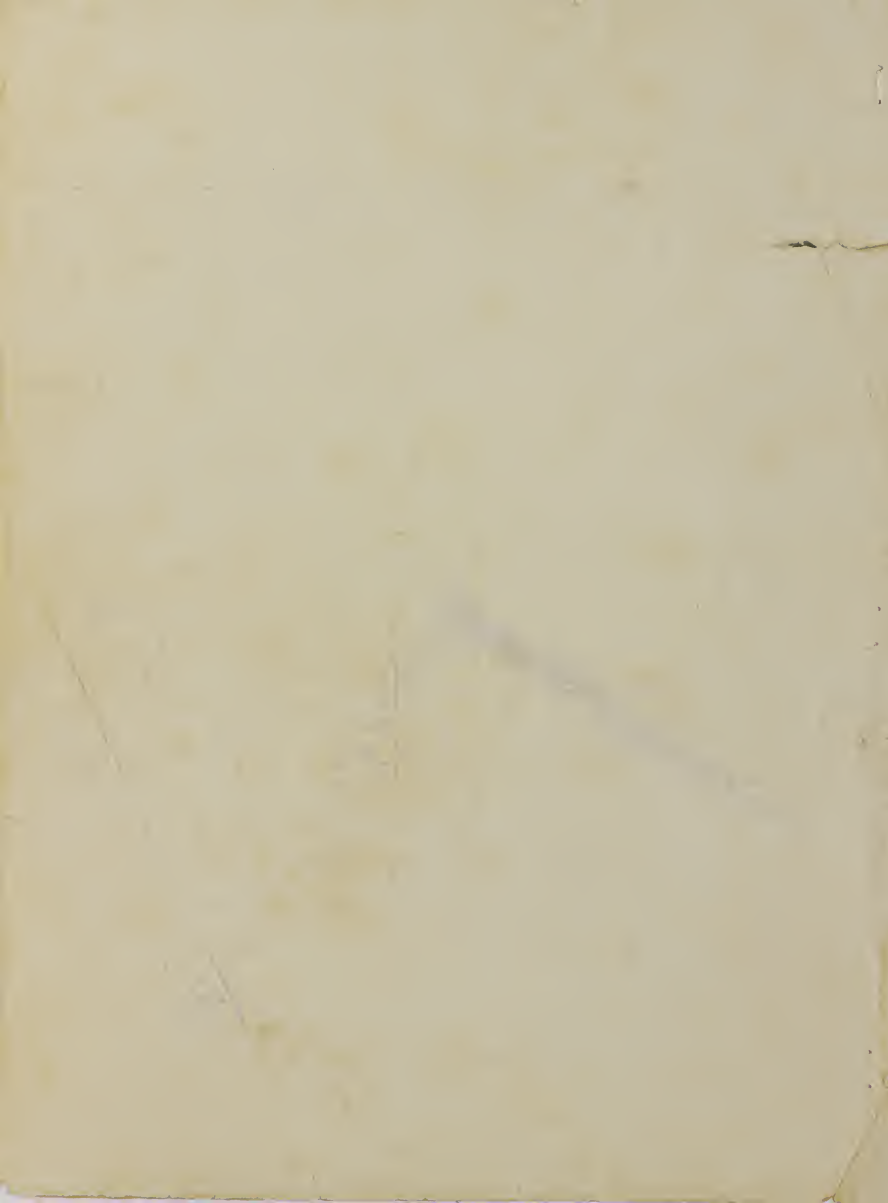

eli-mate of the North And with it south-ern warmth comes forth For she's sur-
called the Gard'n of Ed-en Right where Ad-am put the seed in, Which has
Eu-rope got the scraps, Some oth-er coun-tries worse per-haps And all the

round - ed by the U. S. A. _____
 spread all o'er the U. S. A. _____ Grand old Mis -
 best was used in U. S. A. _____

son ri U. S. A. _____ The mod - el of the

earth And the gar - den of it's birth, She is the heart _____ The grandest

part. _____ And she is bound - ed by the U. S. A. _____
